I am offering

Dentons' Moscow office can help you take advantage of Russia's many opportunities

The economic, political and financial hub of Russia, Moscow boasts a total population of 11.5 million and concentrates

most of the largest Russian companies and banks headquarters, country headquarters of global companies and financial institutions, governmental and judicial institutions as well as the Central Bank

Opened in 1991 and drawing on its vast regional experience, Dentons' Moscow office can help you take advantage of Russia's many opportunities and realize your ambitions across the country. You can count on an agile team shaped in what has been one of the most dynamic, fast changing business environments in recent times.

Dentons' Moscow office comprises around 110 legal staff, including more than 24 partners. Together with the St. Petersburg office, we offer you around 140 Russian and international practitioners on the ground and access to a network of leading local law firms.

Whether you are a Fortune 500 global corporation or a Russian company, international bank or other financial institution, private equity fund, state-owned entity or a nonprofit organization, Dentons can advise you in connection with your business, investments and operations in, and out of, Russia.

To address all your transactional and advisory needs, our practice provides a full range of legal services.

Dentons can give you a recognized depth of international and domestic expertise and a breadth of representation backed by solid working relationships with regional firms and local and federal governments. Our team's experience spans sectors
