Director

AP² FRANCE LANGAGE

Bilateral Meetings

- Presentation of Russian Regions

Description

Located in the beautiful city of Nancy in France, AP² France Langage offers French classes in small groups, and high quality individual lessons at affordable prices for individuals, students and professionals from all over the world. At AP2 France Langage, language learning process may be complemented by a cultural experience, through a wide range of thematic workshops. You will be able to take part in gastronomy classes given in French, guided tours to the museums and historic sites of the region, and exclusive excursions to the most beautiful places of Lorraine to discover our heritage while perfecting your French speaking skills. Our courses and programs, specialised in learning and mastering the French language and culture, take place in a studios, friendly and relaxed atmosphere.
